In conjunction with Friends of Hagley Hall

Tuesday 27<sup>th</sup> March 2012

Severn Valley Railway with 4464 Bittern as 4492 Dominion of New Zealand on the SVR  
Gresley Teak Set.

The visit of the A4 to the SVR allows for the first time in Preservation the combination of A4 in LNER Livery with a full rake of matching LNER Varnished teak carriages.

With thanks to the SVR and the owner of 4464 Bittern, I am pleased to present a day with Gresley A4 4464 Bittern in its current guise as 4492 Dominion of New Zealand . Stock will be 7 (possibly 8) Gresley Carriages. We will start from Bridgnorth at 9am working south to Kidderminster for lunch and to turn the engine before working back to Bridgnorth for around a 5pm finish. As always runpasts at various locations on route.

The cost of the day is £65 which reflects the cost of the engine and numbers are limited to 40 to ensure a comfortable day for the participants.

BBLs/SVRSE are operating the same combination on Monday 26<sup>th</sup> March. As an offer for the Monday and Tuesday **only** booking with either myself or BBLs both days £125. If you would like to book the Monday only , please contact Ian Bowskill on [bulleid34081@mac.com](mailto:bulleid34081@mac.com) . Russ Hillier is running Wednesday 28<sup>th</sup> or Thursday 29<sup>th</sup> March however has very limited numbers. Please contact Russ on 07831 217061
