30742 Charters in Conjunction with the Friends of Hagley Hall

We are pleased to present two days of Photographic Charters this March in Support of the SVR 40th Anniversary Spring Reunion Gala.

Wednesday 3rd March 2010

61994 on 4 Carmine and Creams. Bewdley Start 09:00. Owing to engineering works we only have access to the Kidderminster - Highley Section.

The very first 30742 Charters event was with the then 3442 and it is special to see things come full circle and have a second crack with the Marquess this time in BR Livery. My thanks to the SVR as this is effectively the only day we can run a charter with the engine. It may also I believe be the only time during its visit it will run with BR stock. We will make use of the turntable during the day to maximise photo opportunities. Cost is £40

Friday 19th March 2010

43106 on 3-4 BR Maroon MK1's. Full Line with a Bridgnorth start at 09:00. We will work our way down the valley, Lunch at Kidderminster and turn and then back to Bridgnorth. This will be the first appearance of 43106 on a photo charter. Cost £40

All profits from these two events will go to the restoration of Hagley Hall. We hope you can join us for one or both of these two special days out on the SVR

Numbers are limited to 35 on both days so early booking is strongly recommended

Booking Form
